## School Shelters Flood Refugees

TWO SPENCER FAMILIES were hard hit in the Wetaskiwin flood. Mrs. Lloyd Spencer's baby, Billy, 11 months, are safe in the basement of the Wetaskiwin school after their home was flooded Tuesday evening.

## Flood Strikes Centre of Wetaskiwin

BASEMENT SUITE DWELLERS were hard hit in downtown Wetaskiwin as four to five feet of water covered a section five blocks square. At least 25 families were forced from their homes Tuesday night.

## Boats Badly Needed

HERE'S HOW 40th and 50th streets in the centre of Wetaskiwin looked this morning as flood waters from sloughs and lakes swept down coulees and creek beds. Flood victims were handicapped in efforts to remove furniture from homes through lack of boats.

## SENATORS WON'T GO FOR 14 MEN

## Gordie Watt on Sidelines For Opener With Ottawa

By STAN MOHER  
Bulletin Sports Editor  
REGINA, April 28.—The Flyer line-up for tonight's Allan Cup bid-lifter in Queen City Gardens will be the same as it has been ever since the third game of the Winnipeg series.

## WEATHER TO WARM UP CONSIDERABLY

Temperatures, which dropped to an unseasonable low when cold air moved over the province last week-end, will continue to climb steadily today and Thursday, but no sharp rise is expected.

## Pioneer Alta. Rancher, Senator Riley Dead

CALGARY, April 28.—(CP)—Senator Daniel Edward Riley, 87, of High River, one of the west's most colorful old-timers, died in Holy Cross hospital here last night following a brief illness.

## Govt. Challenged On Palestine Issue

LONDON, April 28.—(AP)—Twelve Conservative members of Parliament today challenged leadership of the Labor government in a motion of censure criticizing Britain's conduct in Palestine.

## Rolling Injury

At Collins, a flyer goalie who suffered a bruised knee in Tuesday's practice, was scheduled to take a disarming treatment later Wednesday afternoon.

## Labor Party Expels Leftists Who Sent Good-Wishes Wire

LONDON, April 28.—(Reuters)—The Labor party tonight expelled John P. M. M. a left-wing member of the House of Commons who had been one of the signatories of a good-wishes telegram to Pieter Nel, leader of the Italian Socialists, supporting the Communists in the Italian general election.

# B.C. Asks Removal 'Differential' Rate

## Higher Mountain Freight Charges Are Protested

OTTAWA, April 28.—(CP)—The British Columbia government today filed an application with the Board of Transport Commissioners for removal of the "mountain differential" rate on freight hauls over the Rockies.

The controversial mountain rate, which has been in effect since the board's rate inquiry over the last 15 years and more recently in parliament, is 1 1/2 times the prairie level.

Counsel for British Columbia in the board's recent conclusion in inquiry had said its removal would be sought and the department of premier informed the federal cabinet that the move actually was under way.

**SEPARATE ACTION**  
By its action today, the West coast province is seeking to have the differential rate dealt with separately from the general investigation into the Canadian railway rate structure which the federal government has directed the board to undertake.

Recent imposition of 21-per-cent rate increases generally was the immediate cause of the B.C. application.

Throughout the rate-increase inquiry, last province along with Alberta, contended that no increase should be "superimposed" upon this higher-than-normal rate. British Columbia members of the board have said the same thing in the House freight-rate debate that concluded yesterday.

The application today says that the mountain differential violates railway act and is "unjust discrimination" against those who have to pay it.

**CALLED UNJUST**  
These shippers, it states, are subjected to "unreasonable prejudice and discrimination" and the rate is "unjust discrimination" between different localities.

The application calls for the removal of the differential on all rates having within their ambit mountain and into and out of that province.

The estimate has been made as to how much its removal would affect British Columbia's freight bill, but it was understood that province planned a supplementary application to have the rate always make a survey to determine this.

C. W. Brazier, Vancouver lawyer, filed the application with the board today on behalf of C. K. Guild, its senior associate for British Columbia in the rate inquiry. The attorney general of British Columbia is named as the applicant.

In an immediate order granted by the transport commission, the railways and other interested parties are given 30 days in which to answer the application.

**Girl In Reported Leap From Car, Dies In Hospital**  
OTTAWA, April 28.—(CP)—Miss Mary Chastity, 28, of Yorkton, Sask., died in hospital last night following a reported leap from a speeding automobile.

Police are withholding further information pending receipt of a post mortem to be held on the body Wednesday.

One of the vehicle is reported as having stopped the vehicle and rushed for help to a nearby house on the outskirts of Ottawa. The girl was removed from the roadway in an unconscious condition and died a few hours later.

**U.S. Has New Plan Military Service**  
WASHINGTON, April 28.—(AP)—Universal military training, a long-sought program to put boys through 18 months of military training, has been approved by the House for drafting of men 18 through 25 for two years' service.

**EAST-AGING ASPIRIN FOR HEADACHE**

NEW YORK, April 28.—(AP)—A cleared conscience made Nello Piccin, 28, of New York, yesterday.

Piccin fell in love and wanted desperately to buy his girl a diamond to match her beauty before they married. But he did not have any money.

In despair he carved a gun of wood and marched into a haberdashery store and help up the man behind the counter, taking \$50 from him.

Then his conscience bothered him, he couldn't rest and he couldn't sleep. At last he told his fiancée the story and together they went to a priest.

The three went to the district attorney's office.

The law was understood and today Piccin was free after the robbery charges were dismissed.

# Blonde Widow Loses Breach-Promise Suit

LONDON, April 28.—(AP)—A jury dismissed yesterday a breach of promise suit against Ernest Griffin, 39, United States embassy vice-consul, who contended his betrothal to an attractive blonde widow ended by mutual consent after she tried in vain to lure him into bed with her.

The high court jury of 10 men and two women took 80 minutes to bring a verdict that Griffin brought action against Mrs. Imelda Price, 40-year-old widow of an RAF bomber pilot.

Mrs. Price denied offering her to sex to secure the American passport she said she charged by diplomatic action their engagement was ended after she spent \$20,000 on him.

Griffin admitted he wrote her letters but said he wrote her only to inform her of his whereabouts.

Under cross-examination, Griffin insisted she addressed at his apartment last September and "ordered" him into bed with her.

"This must have been a dreadful experience to have this woman suddenly offered her to sex."

"Yes," replied Griffin. "After you closed the door and sat down to write letters announcing your intention to friends in America."

"I started to do but did not finish them."

"After what happened why did you go to her bedroom on the 17th?"

"Because she had a little drink and I was attracted to her room," Griffin replied. "I am not suggesting she was drunk."

"Why did you stay there?" Griffin asked. "You were fighting for your virtue?"

"You were realizing this woman's blasphemous."

"You were trying to do what was right?"

"She was not using violence to detain you?"

"No," replied Griffin.

**Three Republics Having Trouble**  
MEXICO CITY, April 28.—(AP)—Three Central American Republics are reported being troubled today.

Travelers from Guatemala said a plot to overthrow the government of President Juan Jose Arevalo has been reported being troubled today.

A reliable source said War Minister Gen. Amistad Somoza of Nicaragua is arming the country to repulse an invasion by water.

It was reported from Costa Rica that Nicaraguans troops still are fighting soldiers of rebel chief Jose Figueres' army of liberation.

The travelers from Guatemala said a revolutionary plot was discovered Friday and that a despatch order had been issued here by Miguel Medina, former police chief and former defense minister in the Arevalo government.

Eight persons were arrested, one of them reported to be an army officer.

result of the floods also was suggested by Mr. Simoline.

At Brandon in southwest Manitoba, the Assiniboine river rose only a half-inch in the 12-hour period ending at 8 p.m. yesterday.

Reports from further west along the course of the Assiniboine, however, indicated that a further rise could be expected. At Minota, the river climbed 18 inches in 24 hours and there was a six-inch rise at Virton.

Of the deaths, the latest was in Saskatchewan, where W. D. Todd of Wilkie, Sask., a railway brakeman, was killed when a flood weakened bridge over a creek at nearby Chalk collapsed under the weight of a freight train.

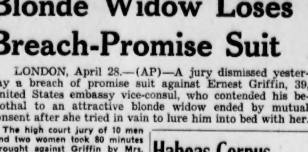

**EVER RISING**  
In Winnipeg, civil authorities estimated the crest of the Red river likely would reach the St. Charles late last night the river level stood at 22.5 feet above datum, constituting a rise of 4.50 of a foot in a 24-hour period.

Army and Air Force men worked at building dykes in suburban St. Vital in the southern section of Greater Winnipeg, where a large number of houses had been flooded. The men operated in shifts of 25 around the clock, being fed on the scene by the Royal Canadian Army Service Corps.

Most race horses quartered at Whittier Park St. Boniface across the Red river from Winnipeg, have been moved to Polo Park as a safety measure.

**TO OPEN LOCKS**  
Acting Mayor C. E. Simoline announced that flood locks at the city's new mill race will be opened today in an effort to speed the Red river's northward course into Lake Winnipeg.

Establishment of a flood relief fund to aid persons suffering as a

# Habeas Corpus Writ for Robinson

TORONTO, April 28.—(CP)—An application for a writ of habeas corpus was made here late yesterday on behalf of Red Robinson, United States labor leader who has been ordered deported.

The writ is returnable Friday and argument will take place then as to whether the vice-president of the International Union of Mine Mill and Smelter Workers (IOMMSW) has to abide by the decision of an immigration board.

The board ruled previously Robinson was not a naturalized citizen in Northern Quebec and Ontario three years ago.

It decided Robinson, a prisoner in jail here since Monday, had violated a federal law providing for deportation of foreign labor.

Robinson has denied the charge.

**Drugs Only Relief, But Veteran Jailed**  
TORONTO, April 28.—(CP)—Van Mott, 48, a 28-year-old wounded veteran of the First World War, said in court yesterday that he had been a drug addict since 1918 because drugs were the only thing which eased the pain of his wounds.

He pleaded guilty to having drugs in his possession and was sentenced to two years in Kingston penitentiary, plus a fine of \$200 or an additional month.

**Presbytery "Regrets" Lana's Church Rites**  
BUFFALO, N.Y., April 28.—(BUP)—Members of the Buffalo-Niagara Presbytery today expressed "surprise and regret" that a minister of our church officiated at the wedding of Lana Turner and Bob Topping.

They passed a resolution to that effect at the annual spring meeting yesterday after Rev. Ralph Blake Hindman pointed out that the Presbyterian church requires that a minister who has been divorced and remarried, Topping married Miss Turner three days after his divorce from actress Arline Judge.

The resolution asked the Presbytery of Los Angeles to administer whatever penance or discipline it believed should be meted out to Rev. Stewart P. Maclean, retired pastor of the Hollywood Presbyterian church, who married Topping and Miss Turner.

The newlyweds issued a vague bulletin on their honeymoon plans, then went back into hiding again.

So far, Miss Turner has received only two presents for her fourth wedding—a diamond bracelet from Topping and a 60-day honeymoon leave from Metro-Goldwyn-Mayer.

# Stassen Gets Surprise Lead

PHILADELPHIA, April 28.—(AP)—Harold E. Stassen, long a leader to a slim but surprising lead in returns from Pennsylvania's "popularity contest" for Republican presidential candidates.

Reports from 6,000 precincts of 8,325 in the state gave the former Minnesota governor 60,806 written-in votes.

New York's Governor Thomas E. Dewey, beaten by Stassen recently in Wisconsin and Nebraska, but reckoned a formidable contender for the nomination, was in second place with 55,323.

The vote in the state's preferential primary was not binding on convention delegates.

**DEMOCRATIC VOTE**  
Democratic party voters, who found President Truman the only name on the ballot, cast 187,650 votes for him in 5,893 precincts. Stassen got 5,208 write-in votes.

The third party candidate, Henry A. Wallace received 1,965 write-in votes on Democratic ballots, and 912 from Republican electors. His party did not participate in the primary.

# Closer Relationship Appeal Made By Forde

An appeal for closer relationships between people of the British dominions was voiced Tuesday.

Speaker was Hon. H. M. Forde, Australian High Commissioner to Canada.

## ELDERLY MAN COMES TO CITY, LIVES HIMSELF

Metro Lebach is lost. The elderly man, wearing blue overalls, came to the city police station Monday night with a bottle of milk in his hand and said he was lost.

He said he had come to Edmonton with his wife. She was to receive medical treatment.

He left his room to buy a bottle of milk and was unable to find his way back.

Police have been unable to find out from the man where his home is or locate his wife.

He was taken to the Salvation Army hotel Tuesday afternoon, and after being there for a while, he was released.

He is about five feet six in height and dressed in farm working clothes. He speaks poor English.

## Alberta Firm Changes Hands

One of Alberta's oldest wholesale hardware and plumbing and heating suppliers, Metals Limited, has been purchased by the Empire Brass Manufacturing Company of London, Ontario.

Established in 1904 with headquarters in Calgary, Metals Limited had offices in Edmonton and Calgary, and will continue to operate under the same name with no change in policy.

C. H. Ivey, president of Empire Brass Company, accompanied by J. Stevens, vice-president, and D. B. Weiden, director, all of London, Ontario, were in Edmonton today for the transfer of management.

H. Taylor will be general manager of the three western branches under the new arrangement, and W. J. Leas will be manager of the branch in Edmonton.

E. J. Chambers, K.C. and A. R. Dignam, both of Calgary are Alberta directors in the company.

A staff dinner is being held in the Macdonald tonight for the local staff to meet the new management.

## Accountants Ask University Course

University of Alberta will be asked to consider courses for student members of the Society of Industrial and Cost Accountants in Edmonton.

Recommendation was made by Dominion president of the society Alvin Tupper, at the annual meeting held Monday in the Corona hotel.

New directors elected for the year were L. P. Green, T. O. Meigs, J. W. Doherty, W. H. McKinnon, H. M. Moore, P. A. Ploverman and Dwight Robinson.

An annual meeting of the provincial society is scheduled for May 15 in the Corona hotel.

**VICTORIOUS JOCKEY** Johnny Longden is congratulated by Albertans at Bay Meadows, San Mateo, California, after winning his 3,000 race. Left to right are Charles Leavitt, Calgary, Max Bell, Calgary, Johnny Longden, Bass Smith, Judge George Schilling, presiding judge of the prairie circuit, Charles F. Rice, Winnipeg, and W. H. Ripley, Calgary.

# Communists Gain Ground China's Northern Sectors

Eventual solution of China's internal strife hinges on the settling of the ideological struggle between Democracy and Communism.

This is the opinion held by many learned Chinese, according to Dr. W. H. Hudspeth, a veteran of 38 years missionary work in China.

He was recently appointed secretary of the British and Foreign Bible Society in Canada and is now touring this country. He arrived in Edmonton Sunday.

In Manchuria and the northern provinces, Dr. Hudspeth stated the Communists are unquestionably gaining ground. They are accomplishing this because they are taking with them a land reform which is much overdue.

At the same time, he added, it is to be observed that large numbers of the poorer Chinese who have lived under the Communist regime are becoming wary of the totalitarian methods.

Chinese people are not satisfied with the Communists, he said, as the people's government... because it is inefficient and many of its members are believed to be corrupt. Dr. Hudspeth declared.

**NOT COMMUNISTIC** The Chinese people, he said, are not Communist and are by no means convinced that the totalitarian methods of Communism are suitable for China.

They would welcome a strong man who could rally to himself the best statesmen in China, rectify the present financial chaos, eliminate the widely growing system of graft, and put an end to the present civil war.

War-weariness is taking its toll among a large portion of the Chinese people. They are neither

entirely satisfied with the Communists, nor are they ready to accept the methods of the Nationalist government.

The Chinese people, he said, are not Communist and are by no means convinced that the totalitarian methods of Communism are suitable for China.

# Paving Program Starts This Week

Changes In Bus and Car Service To Permit Of Work

Edmonton's 1948 \$500,000 paving program will get underway this week, it was announced today by H. W. Haddow, city engineer.

Contract for paving was let sometime ago to Crown Paving Co. Ltd.

Work on the 1948 program was scheduled to start last Monday but was held up by the snow conditions.

The first project to be undertaken following the inauguration of the centre strip on 124 street from 102 to 107 avenues.

Trolley bus operation on 124 street through to 119 avenue will start on Sunday.

There will be no street car service on 124 street north to 119 avenue following the inauguration of the through bus service.

The Red and Green lines now operating to Calder along 107 avenue and north on 124 street will turn at 107 avenue and 124 street starting Sunday.

**CALDER SHUTTLE SERVICE** Calder will be served by a shuttle service operating from a terminal at 118 avenue and 124 street.

The Red and Green line will operate as usual to the south Edmonton terminals at Whyte avenue and 104 street.

While paving operations are being carried out on 124 street between 102 and 107 avenues, a parking ban will be in effect. This ban will extend to both east and west sides of the thoroughfare.

## Auto Court Site Chosen

One auto court site has been recommended by the special committee recently formed to carry out a city-wide survey to locate at least 30 such sites in Edmonton.

The site selected is the triangle located at 106 street starting Whyte avenue and Kingsway.

The special survey committee is composed of two members of the town planning commission, the zoning appeal board and City Commissioner D. B. Menzies.

Between 102 and 107 avenues, a parking ban will be in effect. This ban will extend to both east and west sides of the thoroughfare.

## 'Phone Employees Accept Wage Offer

Wage agreement between the City of Edmonton and its telephone system employees will be signed within the next few days.

City council Monday agreed to offer the employees the same increases recently granted to the municipal government telephone employees.

This offer, city commissioners said today, had been accepted by the city's workers.

The agreement is now being negotiated by the end of the telephone workers' union are expected to accept their stipulations thereto before the end of the month.

Cost of the increased pay will be \$17,000 annually.

The wage increases are retroactive to January 1 last.

## Dust Be Our Destiny?

## FIRST STEPS TAKEN CALDER 'WHITE WAY'

Installation of seven electric light standards on 127 street between 118 and 123A avenues will start next week.

This is the first of a series of improvements being made in the Calder area asked for by residents, and through the Calder Community League.

Cost of the installation is estimated at \$280.

Request for a resident policeman in the district is still under consideration. Chief of police Reg Jennings is seeking quarters in the district, but accommodation is not easy to find in the railway centre, it was stated.

Grading of the streets in the district will be carried out as soon as weather conditions permit, and local improvements petitioned for will be completed this year.

## Much Wanted Man Arrested

James Garth Howlett of Regina, arrested in a Calgary department store today, is wanted in Edmonton on charges of false pretenses and uttering a forged document.

He is also wanted by police in Calgary, Regina and Saskatoon on charges in connection with worthless cheques. Police say the amount of cheques at all points totals \$1,500.

While in Edmonton he is alleged to have opened an account with a bank, depositing a small amount, then went to a department store and cashed a cheque for \$50.

Later, police say, he tried to cash a forged cheque at the department store. While the cheque was being investigated by a clerk he ran away.

Detective Frank Kingzett said that since the account opened under the name James Garth Hamilton, too.

## 6 Honor Students Get Scholarships

Six honors chemistry students from the University of Alberta have been awarded fellowships in chemistry at American universities.

They are, with the schools to which they will be going: Elizabeth Weir, daughter of the late Dean Weir of the Faculty of Law, Northwestern University; Robert Christensen, Edmonton, University of Wisconsin; Earnest Blades, Montreal, University of Wisconsin; Gerald Parnham, Calgary, California Institute of Technology; Agnes MacKenzie, Calgary, University of California; Robert Rimmer, Calgary, Purdue University.

## Vancouver Woman Highly Praised

OTTAWA, April 28.—(CP)—Joy Coghill of Vancouver, last night was applauded by adjudicators for her "admirable" portrayal of Mrs. Phelps of "The Silver Cord."

The play, a three-act psychological drama by Sydney Howard, was the Vancouver Little Theatre Association's entry in the Dominion Drama Festival.

While Mr. Speaight did not show high enthusiasm for the production at a whole, he termed Miss Coghill's performance as one "which would have done credit to any stage and any production."

He described the play, which centres around a mother (Mrs. Phelps) with an odious complex as a "very plausible and rather horrible psychological study."

Mr. Speaight said he had seen a magnificent performance of the same play some years ago in London.

"If I appear harsh in my judgments, it is only because I'm using the highest standards of criticism," he told the Vancouver group.

## Two Westerners On Bisley Team

OTTAWA, April 28.—(CP)—Canada's 1948 Bisley team, which will go to England next summer to compete in the Bisley meet, was announced Tuesday.

The 20-man delegation will consist of Lt.-Col. H. Spelman of Ottawa, commander, Capt. A. G. Gentry of Saint John, N.B., adjutant and his shooting members who placed among the best shots at the Dominion of Canada Rifle Association meet at nearby Cossington Park last summer.

Personnel of the team, as announced today by Col. R. J. Birwhistle of Ottawa, secretary of the DCA, included two westerners. They are CSM W. E. George of Winnipeg and Lieut. A. D. Robertson of Vancouver.

## CPR Loses Appeal In Supreme Court

OTTAWA, April 28.—(CP)—The Supreme Court of Canada in a judgment today upheld the constitution of British Columbia that jurisdiction over the working hours of employees of the Empress hotel in Victoria was a matter for provincial and not federal authority.

The case revolved around the application of the B.C. hours of work act to hotel workers in the Empress, run by the Canadian Pacific Railway Company. The act provides that workmen may not work more than eight hours in a day or more than 44 hours a week.

The CPR, whose appeal was dismissed today, held that the act did not apply to its hotel workers since they were railway workers and came under federal jurisdiction.

## "Red" Employes May Not Get Paid

WASHINGTON, April 28.—(AP)—The house of representatives appropriations committee voted yesterday to forbid the use of any part of a \$600,000,000 appropriation to pay government employees who belong to a union v. none officers have not signed non-communical oaths under the Taft-Hartley Labor Act.

## Palestine Papers Now Uncensored

JERUSALEM, April 28.—(AP)—Palestine newspapers published yesterday their first uncensored editions in 12 years. The Palestine government ended Monday night its censorship of all news in the Holy Land. Newspapers promptly rushed into print with mention of the name of Haj Amin El Husseini, the exiled Mufti of Jerusalem, whose name long has been banned.

**FINAL TRIBUTE** to Sergeant Yens Neilson of the Edmonton city police was paid Tuesday when an honor guard of fellow policemen and RCMP escorted the flower-decked bier to its resting place in mausoleum of Edmonton cemetery. Six fellow sergeants acted as pallbearers.

## Edmonton Man Chief Executive For Blue Cross

A Blue Cross scheme for pre-paid hospitalization in Alberta will be put into effect within the next

few weeks with an initial 70,000 beneficiaries included in the plan, Dr. A. G. McEwan of Edmonton's University hospital said Tuesday.

Dr. McEwan is chairman of the board of trustees of the plan, which is sponsored by the Associated Hospitals of Alberta. The organizations will establish offices in Calgary and Edmonton.

Chief executive officers appointed for the plan at a meeting in Calgary Tuesday were Joseph A. Monahan of Edmonton and H. E. Stacey, Winnipeg.

## Calder Plans League Centre

Calder Community League is planning construction of a community centre that will be second to none in the city.

Tuesday a permit was issued covering a \$20,000 community hall to be located at 12812 120 street.

Round this hall will be placed recreational facilities for all age groups in the district.

The League has purchased the United States army recreational hut that was located at the Jesuit college centre during the war years.

It is being moved on the Calder site, and will be remodelled to meet the requirements of the community.

Contractor on this work is J. L. Smith.

The building is 68 by 120 feet, and is of metal construction. Its side walls will be finished in stucco, and the interior will be given a plaster finish. Plans for alterations by the city architect's department.

## KEEP CAR HOME MOTORISTS TOLD

Keep your car at home unless absolutely necessary.

That was the advice given to Alberta motorists today by spokesmen for the department of public works who reported road conditions in the province as "very bad."

Many small wooden bridges spanning ordinarily dry creeks and small rivers have been swept away by the flood, and larger bridges have been weakened by the strain of high waters, it was said.

## Indian Youth Killed By Bullet

An Indian boy, Albert Leonard McGilla, Winterville Reserve, was accidentally killed Tuesday afternoon by a bullet from a rifle.

The boy was riding in the back of a horse-drawn wagon when a rifle laying in the back accidentally discharged sending a bullet into his chest.

## Assault Case Is Remanded

Edward Lura, 19, and his brother William, 22, 11706 142 street, were remanded for one week when they appeared in court charged with assault.

The complainant, Zahar Szabowski, 12545 87 street, told police he was working in his garage April 22 when the brothers approached him.

He said they asked if he owned a Whippet car, and when he replied in the negative they demanded "their money back" and one of them struck him.

No plea was taken.

## RAT TRAPPING TIME EXTENDED

Muskrat trapping season on privately owned land has been extended to May 15.

Order-in-council, to extend the season was approved at a cabinet meeting on Tuesday and was recommended by official of the department of lands and timber, who said the long-extended winter season had increased difficulties of muskrat trapping.

## Three Divorces Granted Here

Three decrees nisi of divorce were granted today in supreme court by Mr. Justice Boyd McBride.

The decrees were granted to Peter S. Salk from Annie Salk, James H. Wheson from Lena Wheson, and Rhoda Perras from Adrian Perras.

# First Showing of the All-New 1949 MERCURY

**Mercury moves up into an entirely new class! It's a bigger, heavier, more powerful, more beautifully appointed car. In appearance, in riding luxury, in engineering and in performance it has new distinction, new advancements everywhere you look.**

**All-New Long, Low Lines**

At first glance this all-new 1949 Mercury reminds you of those low, rocking racers which streaked across the sands of Utah. It's a big car—and exceptionally broad. And it's really low—only 3 feet 3 inches from road to roof line. In its sweeping harmony of curves there's the very spirit of dynamic motion. Yes, this great new Mercury moves like a whisper with its new, powerful, 110 horsepower V-type, 8-cylinder engine.

**All-New Interior Luxury**

Inside the all-new Mercury you will find that every detail combines maximum convenience and usefulness with clean modern design. The instruments are grouped for easy reading in a housing which is set out from the main panel directly in front of the driver. The rear seat is a full five feet wide and the floor is lowered to give plenty of headroom. From the broad, deep windshield to the big, new rear

window you get a wide-open view in all directions. Interior lights come on when car door is opened. The car is ventilated with clean fresh air supplied under slight pressure to prevent closed-car drowsiness and to defog windows. When a Mercury heater is installed the system provides fresh, warm air.

### All-New Lullaby Ride

There's a new "Lullaby Ride" in the all-new Mercury which is the result of many features, all developed in perfect balance. The passengers are cradled in the "comfort zone" well forward of the rear wheels. Independent front wheel suspension with coil springs; long, longitudinal rear springs; soft-acting telescopic shock absorbers and the new low-pressure tires all combine to give a new high in riding comfort. The new low centre of gravity and ride stabilizer take the "lean" out of road curves.

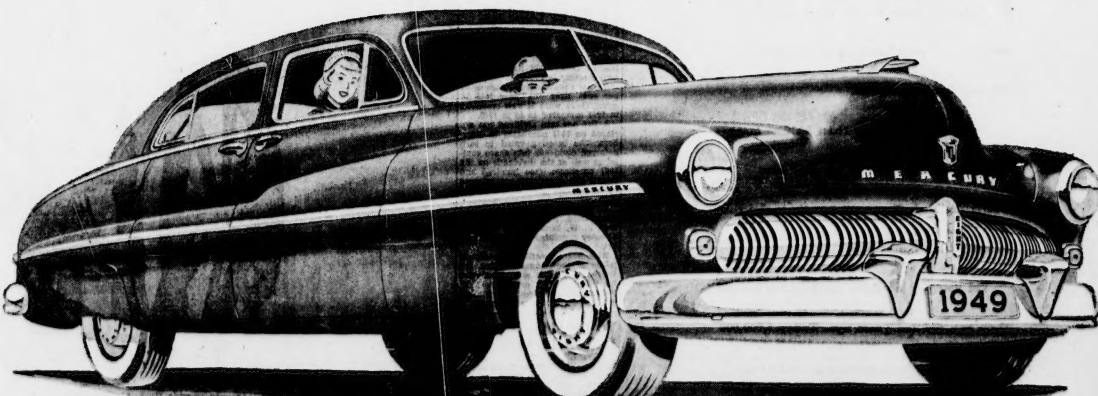

### All-New Ease of Control

It's a real pleasure to drive this all-new Mercury with its effortless "straightline" steering. Road shock does not reach the wheel. The all-new hydraulic brakes have a self-energizing action so that they require very little foot pressure.

So that's the story—or rather just part of the story—of the all-new 1949 Mercury now ready for your inspection at Mercury and Lincoln dealers. There are many more advancements—too many to mention them all. But when you see it you'll know why thousands soon will be saying "It's Mercury for me!"

## DISTRICT NEWS IN BRIEF

## Cadomin Firm Wins Ryan Trophy

Coal Branch Mine Possesses Best Accident Record in 1947

EDMONTON, April 28.—The coveted John Ryan trophy was presented to J. A. McLeod, general manager of Cadomin Coals Ltd., on behalf of the Company, and men, at the Canadian Mining Institute meeting held in Vancouver recently.

In the year 1947 the Cadomin Coal Co. had the lowest accident frequency and received the regional award for the prairie provinces. As this was the lowest accident cost for all three districts, it also received the Dominion award. In the seven years of competition, this is the first time the Dominion award has come to Alberta.

The trophy was won on least accidents per man shift, and J. A. McLeod, general manager, N. Melnyk, mine manager, S. Douglass, Jr., and R. Carr, pitbosses, also all the firehouses that took part in officiating their various districts, the Mine Safety Committee, and Alex Muir, district inspector of mines, all have a share in the winning of the award.

The basis of safety and accident prevention in the mines is the safety consciousness of the men employed, the company and all those connected with the industry.

All those connected both on side, and in the mine, are to be congratulated.

## Combined Districts Stage Festival

Didsbury, April 28.—Over 300 pupils of Olds, Didsbury and Carstairs districts took part in the musical festival held here Friday last. A concert was given in the evening in Evangelical Church.

University of Alberta, mixed chorus consisting of 71 voices will put a concert in the Opera House here May 5.

## PIED PIPER HAD NOTHING ON HIM

VANCOUVER, April 28.—(CP)—A Pied Piper came to Vancouver's east end.

An unidentified jogger who recently lost two of his own children, attended a carnival, and was followed by a crowd of revelling youngsters.

He spent \$150 going from ride to ride and said he would return. So will the kiddies.

## Women's Institute Holds Meeting

MILLET, April 28.—Weissenfeld Women's Institute held the April meeting at the home of Mrs. Henry Serfat. When all the members have completed the house dresses they have been working on, they will be sent to Mrs. Morten for distribution in Europe.

Mrs. Robert Arnoltz, vice-president, was in the chair owing to the absence of Mrs. Hall, president. Mrs. Arnoltz read her report on the district conference which was held in Edmonton during the month of March. The report was interesting and instructive and added incentive to carry on with the various projects.

Mrs. Emily King read a most interesting paper on the many uses of lemons in our daily life.

The May meeting will be held at the home of Mrs. Arnoltz.

"I still say your brother John is the homeliest man that ever breathed!"

## Roads Badly Flooded In Andrew District

ANDREW, April 28.—Andrew district which once was edge of the now extinct Egg Lake is bearing a semblance to the olden days as the worst flood conditions in years are being experienced. Half a mile of the recently constructed high-grade road, just half a mile north of the village, is washed out, inadequate drainage to Egg Creek contributing to the trouble.

The newly constructed provincial highway one mile north of Andrew just a culvert, now definite need of a bridge is seen. The rising water threatened to flood four granaries full of grain, on the farm of A. G. Ackmitchuk. A shovelled pile of about 25 Andrewites dug a 40-foot excavation across the highway, thus reducing the threat.

Despite this improved drainage, incoming waters from the west are keeping the flooded area at a constant level. A slight rise in level is expected.

The CPR track just west of Andrew is being watched 24 hours a day as the rising water is trying to break through at a few points. Foreman Bodnar of the Andrew section, has secured the help of some Andrew citizens.

## NOW ORANGES GROW IN ALTA.

CLARENDON, April 28.—(CP)—Head Gardener Tom Summerville of the provincial hospital here said yesterday that a nine-year-old orange tree in his hospital's greenhouse has 19 large-grade oranges ready for picking. It is not the crop, he said.

west are keeping the flooded area at a constant level. A slight rise in level is expected.

The CPR track just west of Andrew is being watched 24 hours a day as the rising water is trying to break through at a few points. Foreman Bodnar of the Andrew section, has secured the help of some Andrew citizens.

## High Prairie Plans Clean-up Campaign

HIGH PRAIRIE, April 28.—A special meeting of the town council was held recently with Mayor V. Maurer, Deputy-Mayor J. Reynolds and Councillor H. Koush present.

Attending also were medical health officer, Dr. Cecil Treigler, Fire Marshal Webb Ferris, Town Clerk Frank Brown, and Secretary George W. Wilson.

It was decided to make a determined drive to clean up the village and require proper receptacles for garbage disposal. Inspection of public places by health officers was also planned. Canadian Coachworks was given permission to renovate the recently purchased Legion Hall and make it into a bus depot.

Providence Hospital Aid held election of officers recently and Mrs. L. C. Ferguson was elected president. Mrs. Howard Carson, vice-president, and Mrs. Ferris, secretary.

## Co-op at Consort Reports Good Year

CONSORT, April 28.—Consort District Co-op held its eighth annual meeting in the UFA hall. The 1947 year showed an increase of 46 per cent over the year 1946 in sales. There were 21 new members in 1947 compared to 46 in 1946.

A five per cent dividend was declared on 1947 purchases to members. The meeting voted to turn deferred dividends into share capital as well as the dividends on the 1947 purchases. One hundred and twenty-five members are covered by Co-op Life Insurance for 1948-1949.

Directors who were re-elected were: John Polson, George Sturmer, J. W. Bowtell, and the new director appointed was P. O. Froebel.

At a board meeting immediately following the annual meeting, the following officers were re-elected for the 1948 term: president, J. W. Polson; vice-president, Henry Kroeger, secretary, George Sturmer.

## Two Sudden Deaths In Tofield Area

TOFIELD, April 28.—Tofield Women's Missionary Society's recent meeting was held in the church with Mrs. Hamilton of Wainwright as special speaker giving highlights from the convention held at Calgary.

Two sudden deaths have occurred in the Barco district, the unexpected passing of both Mrs. Buelen Eide and Mrs. George Both being a shock to the community.

## New Edson Clinic Officially Opened

EDMONTON, April 28.—Dr. Tiffin played host to the people of Edson and district to an "at home" in the new clinic Sunday afternoon.

The opportunity to go through the fine building was taken to advantage of and appreciated by hundreds, all of whom seemed to have high praise for the up-to-date clinic which the district now possesses.

## Musical Festival Set for April 30

TOCHU, April 28.—Three Hills and Trochu schools are holding their annual musical festival at Three Hills on April 30. The evening entertainment featuring the winners of each competition will be held at Trochu, the same evening in the Legion Hall.

## Tofield Farmers Find Horses Handy

TOFIELD, April 28.—Most of the roads are in such terrible condition the farmers are driving horses to town for supplies.

Carnival staged to raise funds for the community hall was well attended despite bad roads. Master Dale Sutton won the bicycle and Master Fashang the radio, with the chest of silver going to Mrs. G. Allen.

## Thorsby League Committee Named

THORSBY, April 28.—Nineteen attended the April meeting of Thorsby Community League. A social evening last week in honor of Mr. and Mrs. Olsen, who were presented with a gift in appreciation of work done for the Y.F.A.

At the recent whist drive held in Powell's hall to wind up the hockey season, Melvin Hughes was presented with a prize for being the most valuable player, and Corporal Deason one for outstanding work in goal. Winners of the whist were Mrs. J. Hiler, G. Thorsby, Doris Campbell, and C. Capri.

T. Kilford, district agricultural agent at Thorsby, has returned from Vermilion where he has been teaching in the agricultural school.

## Peter Laibida Dies at Mundare

MUNDARE, April 28.—Peter Laibida, 48, died here recently after having been ill for some time. He is survived by his wife, three daughters, Mrs. Jean Hewko, Mrs. Rosie Silwanik, and Mrs. Bill Laibida of Mundare.

Funeral services will be held at 2 p.m. Friday at St. Peter's Roman Catholic church.

Originally a farmer Mr. Laibida had been in the trucking and import business here for some years.

## Body Of Drowned Boy Is Recovered

CALGARY, April 28.—(CP)—Body of Harry Cochrane, nine-year-old son of Mr. and Mrs. G. Cochrane of Calgary, was recovered from the Bow river near the Cushing bridge in East Calgary yesterday.

The youngster was drowned April 17 when he slipped off the icy river bank into the water.

## MYRNAM ELEVATOR DESTROYED BY FIRE

MYRNAM, April 28.—United Grain Growers Ltd., elevator here was destroyed in a spectacular fire Monday night. About 13,000 bushels of wheat and 5,000 of oats and barley were reported to be in storage at the time and most of which is expected to be a complete loss.

Unofficial estimates place the grain loss at \$40,000 and it is understood the plant was valued at about \$30,000. Insurance was carried on both elevator and contents.

## Pastor at Olds Moves to Killam

OLD, April 28.—Rev. Alfred H. Olsen has resigned as pastor of Olds Baptist Church and has accepted a call to the church at Killam.

Mr. Olsen has had charge of the church here for little more than a year after he returned from China, where he spent several years as a missionary.

Young People's Association held a social evening last week in honor of Mr. and Mrs. Olsen, who were presented with a gift in appreciation of work done for the Y.F.A.

## 'Hat Librarian Tells His Story

MEDICINE HAT, Alta., April 28.—(CP)—Harry Burdick, former librarian of the disreputable Medicine Hat public library, said yesterday that he had been ordered to "keep quiet" when he attempted to place some information before the board last September regarding removal of several thousand books from library shelves.

This and other events leading up to the current library dispute here are contained in a brief written by Mr. Burdick outlining his position.

Charging that the board had shown lack of courtesy to the librarian and had "tried to get under his skin," the brief said Mr. Burdick had been ordered by board Chairman R. W. Harrison to "sit down. Keep quiet. You have nothing to say." At a board meeting last September while he still was librarian.

Mr. Burdick also criticized action of the board in giving one man full authority to discard books and claimed large numbers of books were neither obsolete nor in poor state of repair.

Mr. Burdick also criticized action of the board in giving one man full authority to discard books and claimed large numbers of books were neither obsolete nor in poor state of repair.

## NOVA-KELP

Take up your aching system—your appetite—that's the way to feel better. Nova-Kelp is a natural sea product which is not a drug but simply drops sea water from the mineral-rich Atlantic Ocean, and contains no harmful chemicals. Take Nova-Kelp now! You'll see the results. On sale at all drug stores.

## Times Have Changed

● In Canada's earliest pioneer days, each family produced for themselves those goods and services needed. As individuals developed skill in specific lines, they found it advantageous to exchange the products of their labour with others, for things needed. From this specialization evolved mass production which contributes to a higher standard of living for greater numbers.

But mass production can seldom be financed by the individual. That's our

job—to provide Bank Credit which will enable man to buy raw materials in quantity at opportune times—that will facilitate commercial credit and market development—that will provide ways and means of cutting costs—and, in general, help to expedite industry.

For 93 years this bank has co-operated with Canadian business by supplying Bank Credit. We would be glad to discuss your financial problems with you.

MERRICK DRUG STORES

Save you money. Serve you better.

## Handling money costs money

It costs you more to live these days.

And it costs your bank more to provide

efficient banking service.

Bank staffs are more than half as large

again as before the war; payrolls have

nearly doubled. Taxes are up. So is the cost

of everything banks buy.

Yet you pay no more for banking service

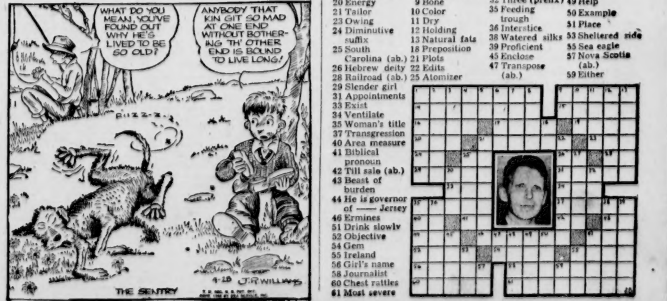

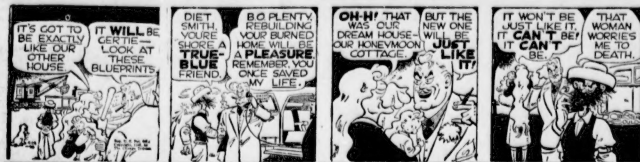

than you did ten years ago. Today 7,000,000

Canadians are bank customers—striking

evidence of the ever-widening usefulness of

competitive banking in our national life.

BRIDGE

"North" Does a Bit Of Quiet Trapping

One of the most interesting developments in tournament bridge in recent years is commercial and industrial games, part of their personal activities. Nineteen such teams entered the Eastern States contest, won by the team representing New York Board of Education: Morton Friedman, George Becker, S. Friedman, Max Kell.

I was kibitzing George Becker when he palmed the hand shown today. West won bid a spade and

missing high cards in each other's hands.

This is exactly what East did when he elected to bid three spades rather than four clubs.

Declarer made a mistake in not winning the opening lead of the king of diamonds and immediately leading a heart.

Becker shifted to a small diamond. West won with the ace and led a club. Becker trumped with the four of spades, cashed the king of diamonds and led a small diamond. West trumped with the queen of spades and led another club, which Becker trumped with the three of spades, led another club and Becker trumped with the jack of spades.

Then he made a nice play, the lead of the nine of diamonds. Declarer discarded a club from dummy. South trumped with the queen of spades—Becker still made this spade ace.

Thus East and West went down four tricks doubled, minus 700.

## Boucher Reminisces Old Times

REGINA, April 28. — You kind of cotton to "Buck" Boucher right off the bat. He talks easily and expertly on hockey, does the coach of the Ottawa Senators. Naturally there isn't much about his Senators that he isn't well versed on. As a former major leaguer with famed Ottawa professional teams even the going on in the National League of the present day aren't exactly a closed book.

He had a great deal to say when it came time last fall to select the personnel of Canada's Olympic team. Then again he remembers a famous Stanley Cup series between Ottawa and Edmonton Eskimos, played in Vancouver.

"Those Eskimos were tough nuts to crack," he admitted Tuesday night in Queen City Gardens.

Showers himself and steam poured forth as Jackie McLean, Eddie Emberg, Jack Irvine, youthful Larry Riegan and more of the present day Senators took "baths" following their initial workout in Regina.

"That must have been back in 1923 or thereabouts," he went on, "Edmonton had some great players. You couldn't beat 'Duke' Kents once he got close to that net. And how Joe Simpson could carry the puck."

"Yes, sir, they made it rough before we finally bowled them over."

We might have reminded him that one Clint Benedict, in the Ottawa nets, was rated Eskimos' greatest stumbling block in that never-to-be-forgotten series.

## Olympic Champs Strong Enough

About Canada's Olympic winners the member of the famous hockey family had this to say: "They were little better than a good intermediate team. However, we know when we sent the seven over that competition from the Czechs and other European teams would be too stiff."

Frank Boucher, a son of "Buck," who took the Canadians overseas in the role of coach, apparently was familiar with the squad on the other side. It was largely his insistence that the seven would do alright, particularly after the addition of such players as Walter Halder, Mara, and more, that finally made up the minds of officials to ship the squad across the Atlantic.

As everyone knows it proved a worthwhile decision.

There was pride in Boucher's voice as he recounted the events leading up to Canada's Olympic victory after so many had consigned to the list of also-rans the squad carrying the Maple Leaf banner.

"They did alright," he closed off the discussion.

## Senators Look Pretty Fair

Oddly enough the former teammate of "Punch" Broadbent, Cy Denney, Frank Nighbor and more graces of the old days, talked very little about his present Senators' cast.

Possibly he felt that any aggregation lethal enough to survive all eastern competition was easily capable of doing its own talking — on the ice.

It wasn't hard on looking around the dressing room, to realize that Boucher had surrounded himself with some pretty fair hockey talent.

It was for sure that he hadn't come west with any weakling of a club, even though Alex Smart and Ray Trainor had to stay behind.

However, he made no rash promises of what Senators might do to the Edmonton opposition. Hockeywise as he is, "Buck" Boucher was waiting ... at least until he had seen Flyers in action.

And it seemed a wise course to pursue, particularly in view of the Western successes of the WHL champs.

## Port Bruins Virtually Conceded Junior Title

TORONTO, April 28. — (CP) — Sports critics — and even opposing coach Harry Kemm — have conceded Port Arthur Bruins the Memorial Cup this year.

The big question that remains now is whether the big, heady hockey squad from the Lakeshore can do it in four games. They already have a 2-0 lead in the best of seven series by virtue of 10-8 and 8-1 victories.

Reason for Bruins' disappointment is clear. They lost their first Memorial Cup game to the discomfited team from the Canadian Amateur Hockey Association which looks forward to Memorial Cup competition in Maple Leaf Gardens.

In past years here, the series usually went the full seven games with every one a corker. As a result the gates were up to the 100,000 mark each time.

Thus far this year 20,000 fans have been out. Averaging 10,000 a game, it's not bad, but considering the probability of the series terminating in four games it will mean something like 50,000 for the whole affair. There may be less, in fact, if interest drops off.

However, for Eastern supporters there's hope. Here's why: First, it was the same Barrie team which dropped the first two games of the Ontario Hockey Association finals to the highly-touted Sudbury Spinnies before hitting its stride.

If the hopes and rooting of the majority of native fans of the porters have anything to say in this series, their team will do it again. Hockey fever is at top pitch again.

EDMONTON, ALBERTA, WEDNESDAY, APRIL 28, 1948

## NORTHERN ALTA. TRIPPERS HOME

Twelve Northern Alberta residents, returning from a trip to Great Britain, were scheduled to arrive in Montreal today aboard the Empress of Canada Canadian Pacific Steamships announced.

The ship sailed from Liverpool and the Alberta passengers are expected to reach here Monday by rail.

Among those returning are Mr. and Mrs. A. E. Goode, Mrs. M. P. Lethbridge, Mrs. E. Kennedy, Mrs. W. E. Hugg, and two children, all of Edmonton; W. Goodwin, Wainwright; A. K. Kofman and I. Burgess, both of Leduc; John Davis, Grimshaw; and Ivan V. Dunsford, Daff.

## Miners' Votes Are Protested

United Mine Workers of America won the majority of the votes to be named as bargaining agent for miners at the Star-Key mine in the Edmonton area, but a protest against the results of the election is planned.

Only two of the 35 votes cast at the two polls were not protested by scrutineers. They were the votes of two men who had been injured in the mine and were on compensation.

Results of the vote as announced by David Matheson of the board of industrial relations were:

All votes cast at the mine poll by men now employed by the company were objected to by the Association. All votes cast at a downtown poll by men who had been injured in the mine were also objected to.

Mr. Matheson was not sure today what steps would be open to J. B. Starky and to members of the association which was formed by the miners who had returned to the pit during the strike.

It was expected a form of legal protest would be entered.

Mr. Starky claims many of the men who walked out should not have been allowed to vote, since by the terms of his contract workers are automatically discharged.

Girls from Edmonton, Calgary, Red Deer, Lethbridge, and Medicine Hat will take part in the final contest in Calgary.

MISS EDMONTON 1948, Joan Farley, 17-year-old grade 12 student from Eastwood will represent Edmonton in the all-Alberta beauty contest to be held prior to the Calgary Stampede this summer. She was chosen from eight girls representing all districts of Edmonton Tuesday night.

## Joan Farley Acclaimed Edmonton's Beauty Queen

Edmonton's Beauty Queen, Joan Farley, 11440 65 street was crowned Tuesday night in eliminations held in the Recreation Hall on 100 street and 102A avenue.

Miss Farley, a 17-year-old, grade 12 student at Eastwood High School was chosen to represent Edmonton in a province-wide beauty contest being sponsored by the Associated Canadian Travellers and held immediately before the Calgary Stampede. Eight contestants took part in the competition here sponsored by the Federation of Community Leagues.

## Chinese Rules Probe Asked

An investigation of discrimination against Chinese in Canada was asked by Edmonton Branch of United Nations Security Monday.

Alterations in rules governing bringing to Canada of relatives of Chinese-Canadians and of granting citizenship to Chinese were asked.

Present ruling, they said, forbids a Chinese from becoming a Canadian citizen unless he has the consent of his own government.

Dr. W. D. McLaughlin, Faculty of Education, University of Alberta, was elected president of the United Nations Society.

He succeeded T. R. Davies.

Other officers elected were: Vice-presidents, Rev. Angus McQueen, S. W. Field, secretary, H. Paszek, Jean Wallbridge, Edith Martin, R. W. Hedley, treasurer, F. W. Wootton, committee conveners, W. Chumley, Mrs. W. F. Bowker and Mrs. Barnhart.

**Release Prisoners**  
TOKYO, April 28.—(AP)—Some 25,000 Russian-held Japanese war prisoners will be returned home next month. Allied headquarters announced today.

## Alta. Short Of Objective

Alberta's response to the United Nations Appeal for Children Fund has been disappointing, according to C. E. Pickering of Ottawa, honorary chairman of the Canadian campaign, who was in Edmonton Tuesday.

He said quotas are based on a per capita contribution, with \$5,000 set as the objective for the entire country. This works out at 60 cents per capita of Canada's population.

Northern Alberta falls the rest of Canada in contributions to date.

On the other hand, he said Saskatchewan, a less prosperous province than Alberta had now contributed 55 cents for each person.

Mr. Pickering thought Alberta's contribution was indicated by a lack of understanding of the desperate need of the children of Europe for food, educational materials and medicines.

The money raised would be spent in Canada for necessary foodstuffs and other needs, he said, and the people of Europe would be informed of the source of the goods they had received.

**AIT AUCTION** aided children of Europe when works of local artists were sold at the block under auspices of Edmonton branch of the Federation of Canadian Artists in Museum of Art Tuesday. A Glyde, (left) art instructor at the university, assists auctioneer J. Reid.

**WILDCAT WELL NORTH OF CITY ENCOURAGING**

Reports from north of Edmonton indicate that Imperial's Volmer No. 1 wildcat is successful.

This well is being drilled about a quarter of a mile west of the highway four miles north of St. Albert.

It was down to a depth of 4,322 feet at last report which places it well into the Devonian. No official reports have been released on the well's progress except the depth, but it is understood that the log of the well has made company officials very optimistic about the chances of success.

The well is the fifth of a series drilled in a relatively small area. The first four, Morinville Nos. 1 and 2, Legal Nos. 1 and 2, were abandoned but indications convinced Imperial geologists that there is oil in the area immediately north of Edmonton.

# CONSTRUCTION DELAY IRKS SCHOOL TRUSTEE

## Motion to Control Other Building Lost on Vote

Notice of motion aimed at having schools under construction completed at earlier dates came in for consideration from members of the Edmonton Public School Board at Tuesday night's meeting.

The notice of motion was first brought before the board at the April 13 meeting by Trustee Dr. J. L. Morrison.

Dr. Morrison, in his motion, felt that some action should be taken to control building supplies from going to other buildings not needed as badly as schools.

Dr. Morrison proposed that the Edmonton Public School Board approach the City Council to persuade them to exercise such control within its power that will ensure the construction of our much-needed schools within a reasonable time scale.

Trustee S. Graham said he was opposed to such action. He said he felt commercial building should not be discouraged and that no pressure should be put on City Council to control building permits.

Trustees Morrow and Dr. G. H. Brown agreed with Trustee Graham. Dr. Brown said that such action would "make us look ridiculous in front of City Council."

Trustee H. H. Rae said he felt the delay in construction of schools was due to shortages that could not be helped and that the school for schools to be built this year was much better than it has been for some time.

The board did, however, agree to a second motion put forward by Dr. Morrison.

It calls for appointments to be made on the basis of qualification alone, with no discrimination being made because of race or national origin.

The board instructed superintendent J. S. Sheppard to investigate the possibility of bettering the present educational facilities for youths who are detained in the home for boys here.

The home has been set up at the former South Side Hotel.

Mr. Sheppard was instructed to approach the department of education with a view of obtaining these facilities.

A teaching appointment was made at the Board meeting.

W. T. M. Fowler, at present teaching at H. A. Gray Intermediate school, was appointed to Victoria high school staff. The appointment will be effective with the school opening in September.

Leave of absence was granted to three teachers, Miss Clara M. McInnes, Miss Betty Chisholm, and Miss Ellen Corlett, for one year.

The teachers are all planning to return to university for a further year's studies.

## ATTACKER HITS AND RUNS AWAY

Tony Weber, Stony Plain, was the victim of a hit and run attack about 11 p.m. Tuesday.

He said he was walking near 100 avenue on 101 street when a man punched him in the face for no reason.

His assailant then ran down the street and turned west on 101 avenue.

**Entire Transport Setup Needs Study**  
SASKATOON, April 28.—(CP)—A Canadian National Railways official said Monday night that Canada's whole transportation system should be studied by a "competent authority" and a national transportation policy formulated "based on sound economics and fashioned to serve the needs of the country as a whole."

Graceme C. Norman of Winnipeg, assistant transportation economist of the CNR, told a service club that the country's transport facilities should be co-ordinated so people would get the maximum service at the minimum "real cost."

Canada's railway freight costs averaged less than one cent per ton-mile, lower by far than any country in the British Commonwealth, but air freight costs were from 30 to 40 cents per ton-mile while the average highway rate was five cents.

**Displaced Persons Leave For Canada**  
HEIDELBERG, Germany, April 28.—(Reuters)—Six hundred displaced persons from Western Germany left Heidelberg yesterday for Canada, the international Refugee Organization announced.

Most of them will be employed in Canada as domestic servants, miners and railroad and construction workers.

**Travellers Commence City Fund Canvass**

With \$14,054 raised to date for the Crippled Children's Fund, the Association of Canadian Travellers have started a canvass of Edmonton business firms.

Money raised to date has come through the efforts of the fund's three active canvassers who are now working out of 27 Northern and Central Alberta centres.

Radio station CFPS 10-500, with the special use of participation events and special talent prizes is contributing in addition to grand prize winners selected on the basis of popularity vote.

**GRAND FINALE**  
Grand finale of the campaign is at the Arena on Saturday, May 8, when all will be made to district and grand prize winners.

Canvass of city businessmen will be carried out by the Edmonton Club of the Association of Canadian Travellers.
